

Literacy: expected impact

- Increased vocabulary
- Raised attainment in reading
- Improved partnerships with other agencies
- Increased support for reading at home

Health and Wellbeing: expected impact

- Whole school nurturing ethos
- Increased understanding of Growth mindset, empathy, resilience and restorative approaches to support inclusion of all learners
- All pupils will enjoy quality social/emotional interactions with their peers through positive play experiences in the playground
- Attendance will increase and lateness will reduce

**Pupil Equity Funding –
Croftmalloch Primary School**
Priorities for session 2017/2018
*Closing the attainment gap between
the most and least advantaged
children*

Numeracy: expected impact

- Improved attainment for learners through embedding concrete, visual abstract in pedagogy in the teaching of number as whole school methodology

A number of interventions are planned for this session, to ensure that we are providing the best possible experiences for our focus groups, in addition to the learning journey that all our children already benefit from in school
