

P3 Learning Grid 12 for Week Beginning 22/6/20

1. Sumdog West Lothian Maths Contest: from 19th to 25th June

Please keep playing *Sumdog* this week as we are entered into the West Lothian Maths Contest and it would be nice to qualify. We need at least **10 different players** to log in, click the 'Contest' button and play. Your log in details are in your homework jotters. I know lots of you have not been using *Sumdog* but please try to do so this week, even if it is only for one game. I can give 50 or 100 *Sumdog* Coins as a reward to those pupils who play!

2. P3 Memory Book

Before we begin the Summer holiday, I would like you to think about your memories of being in Primary 3. I have set you a *Memory Book* activity and I would like you to complete it at home with your family. Talk about your memories of P3, enjoy sharing your favourite things. You can make your own version of the *Memory Book* if you would prefer. Be creative!

3. Read! Read! Read!

Keep reading, even over the holidays. The more you read, the more you learn. Choose to read from anything that interests you... novels, comics, magazines, encyclopaedias, factual books, recipes, online books, poems...the list goes on.

4. Stay Active

Continue to exercise daily and try to get out of breath in the fresh air as often as you can. Help in the garden if you have one. Play tig, throw and catch a ball, use the activities from the Sports Day if you want. Have fun! Remember to rest and get enough sleep too!

A Farewell Message from Mrs Threlfall

As a 'Thank You' for being such a fantastic class, I have made a P3 Memory Heart for you. There are two different colours but they both have the same words. These can be printed at home to keep as a memento of your year.

I would like to wish every one of you, 'Good Luck!' as you move on to the next step in your journey through Croftmalloch. It has been a pleasure to have been your teacher and I will miss you all. I hope you all have a fantastic holiday.

Take care of yourselves!

Love

Mrs Threlfall

xx
