

Home Learning Last Week

Make up a new game - it could be a board game/ card game/ an active game. It could be a maths game, spelling game or reading related:

Make the game and cards that you need to play it.

Then write a set of instructions explaining how to play the game.

Try it out with your family.

Upload a picture to show us what it looks like.

Maths

The links below will take you to short tutorial videos and a set of follow up questions. Do as many of the questions as you can.

Rounding

Password is: FrenchABC

Art -

<https://www.bbc.co.uk/bitesize/clips/zq3gd2p>

Watch the video about the famous artist, **Vincent van Gogh**. Research some of his paintings.

Draw and colour or paint a **tree or flowers** in his style. Remember to use his **favourite colour!**

Design and make a wind chime to hang either

outside or at your window inside. Think about what materials you could use and how it is going to hang. What kind of sound will it make when it chimes? Will you use metal, plastic or any other weather proof material?

Art/ Design - Some artists are heavily influenced by sounds in their work. Have a look at the following link and read the information and try and produce your own art work influenced by sound. This website has loads of great activities and quizzes on all things art so feel free to have a look around it. Remember and show your wonderful creations on teams!
