STAYING HOME

Matt is hot and fed up. It is a sunny day and he is stuck in the flat. He misses playing in the band.

“I wish I had my drum kit,” says Matt. “I want to play the drums and sing with my mates again.”

Matt makes a cake in his kitchen. He taps on a pan as he waits for the cake to bake. The pan makes a great drum!

Tam lives in the flat next to Matt.

Matt gives her a ring.

“Tam, let’s have a jam! We can use pans and tins as drums!”

Tam brings a wok to drum on.
She has made up a song.
“Stay in today and play on your
pots and pans,” she sings.
Moon sways along to the song!

Gran waves from a flat along the street. “Stay playing!” she yells. “We don’t have to be in the same place. This is a great way to stay connected!”

JUMPING JACK GAME

This is a game for two players. Each player has three counters, each set a different colour. Players choose to be Red or Blue and place one counter on each of their colours. Players take turns to move a counter by sliding it into an adjacent space or by jumping over their opponent's counter into an empty space. When a player lands on a word, he/she must read the word aloud. The winner is the first player to get all three of his/her counters in a straight line.
